

“We saved \$174,000 dollars from the sales tax exemption on the jet”

When the owner of a mid-California gas and oil exploration company needed to purchase a Cessna 525 Citation jet, he turned to Aero & Marine Tax Professionals to help him save money on the sales tax.

The owner of the company stated “Aero & Marine Tax Professionals did what they said they were going to do. And in this world, that’s a good thing! I would certainly recommend them to others! We saved \$174,000 dollars from the sales tax exemption on the jet.”
