

“Aero & Marine Tax Professionals was terrific to work with! I would definitely recommend them to others.”

When a real estate investment firm in Northern California planned to purchase a 2001 Piper Meridian airplane, they turned to Aero & Marine Tax Professionals to help them get a sales tax exemption on the purchase.

An executive from the real estate firm was available for comment: “Working with Aero & Marine Tax Professionals was wonderful. They were very clear in their instructions of what to do, very responsive if I did have a question on what to do, and very nicely followed up with me every month on my paperwork, making sure I got them what they needed. They were terrific to work with! I would definitely recommend them to others.”
